FROM THE PRINCIPAL

Konichiwa (hello in Japanese)... It's hard to believe where those 3 and a half weeks of leave went! But I must say that Japan was a beautiful country to visit. So here we go with the last 9 weeks of school for the year, and I know that won't take long!

THANK YOU

I would like to congratulate Mrs Danielle Woolford for the exceptional job of Principal whilst I was away. I definitely left the school in capable hands.

NATURE PLAY

WOW!!! What a surprise to come back to school and see the work on the Nature Play area, that had been completed over the holidays. It has been fantastic seeing all ages of students using the area this week and the enjoyment in their faces. Make sure you come into the school to see it.

Families can also help by donating to the following stalls:-

FROM THE WELLBEING LEADER

I just want to say WOW! If you haven't had a chance to have a 'real life' look at the Nature Play Space make sure you get down there. Susy and the Grounds Committee have created an area that all students in the school are enjoying at recess and lunchtimes. The imaginative play it has created is amazing and it's wonderful to see different groups of students playing together harmoniously. A huge thanks to families and staff who contributed.

A special thank you to Axel who was a huge help during the working bee. He worked tirelessly the whole time.

Ryan, Lucas, Jacinta and Elise are some of the children who helped create the Nature Playspace

Fundraise for the Farmers Day was a huge success. The SRC and student body decided that this term they wanted to raise money for a charity that was close to home. Our Riverland area, just like many areas in SA, has been affected by drought. This has had a huge impact for the farmers in our region. This is why we decided to hold a 'Fundraise for the Farmers Day'.

Thanks to Rhonda for the line dancing lessons, Phil for the presentation on the 'significant dry', to Anthony Rothe for bringing in the Renmark High school sheep and baby lamb and to every student, staff and family member who dressed up to raise money for the worthy cause. We raised \$454.25 which will go to farmers that need it.

The Rainbow Run was a highlight of 2017 and is scheduled for Thursday the 6th of December (week 8) this term. This year Rainbow Run will act as a fundraiser for our school's middle and upper primary playground. There will be more details to come from SRC in the upcoming weeks.

This year at the Continental many of our students will be performing. Make sure you come out to see the kindy 'Baby Sharks', the junior primary 'Penguins' and the upper primary 'Flashmob'. Some performances are not to be missed!

Special Lunches

Special Lunches will start again this Friday . If you are available to pick the lunches up from the Paringa Bakery and help deliver them to the classroom please call the Front Office on 8595 3274.

LEARNING IN ACTION

Miss Pipinis' Reception and Year 1 students have been learning about the structure of writing a recount. Students wrote about the many adventures they had during the holidays!

FROM THE STUDENT LEADERS

Way back in Term 2, the staff and students of Renmark North PS combined their fundraising efforts to purchase a chair for the Aged Care Residential Facility at the Renmark Paringa District Hospital.

Former staff member Maria Cotsaris donated and cooked a beautiful Greek style lunch which the staff paid for.

Along with this, the Student Leaders held an 80's themed casual day with a gold coin donation from the students. Together, we were able to raise the \$310 required to be able to purchase a new chair for the dining area of the aged care facility.

On Tuesday October 16th the Renmark North PS Student Leaders presented the hospital with the cheque for the chair, and were able to see what their donation had gone towards. The chair has an engraved plaque recognising the generous donation from the school community.

It is the hope of the residential Aged Care community that more local schools and organisations will consider funding towards the donation of a chair so they can continue to replace the old ones they have.

2019 Material and Services

Adjacent is a copy of the Notice of the Materials and Services Charges for 2019. Part of the process for fixing the Materials and Service Charge each year is to extend an invitation to the school community to attend our next Governing Council meeting to discuss these charges. Our next meeting is scheduled for Wednesday 31st October at 7:00 pm when the 2019 Materials and Services Charges of \$241.00 will be submitted for approval.

PLEASE NOTE: Do not send any money with this notice as this is not an invoice. Parents will be sent an invoice with their child's end of year report. As in previous years the school will be open for 2 days prior to the beginning of the 2019 school year to enable families to pay for their material and services charge, apply for School Card, collect book packs and purchase hats. Families will be notified of these dates later this term.

PLANNING FOR 2019

Planning for the 2019 school year is well underway. If you know of any families moving into the area next year please contact the school.

Also if you are considering moving schools for what ever reason, please arrange to meet with the Principal Mary Shannon to discuss any concerns, issues or information in regards to the move.

We understand that there is sometimes talk in the community of families looking to move their children onto another school, but often this communication is not passed onto the school and matters of concern can often be resolved or worked through.

Renmark North Preschool also has vacancies for 2019. If you are interested in your child attending Preschool next year, or know of families who may be interested, please contact the school on 8595 3274.
