Part B

- Enrolment trends

Student numbers have been fixed at a maximum of 215 primary aged students as a part of our enrolment zone, instituted in November of 2003. Our School Based Preschool has enrolment is capped at 20 children.
- Special arrangements

Cooperation with local schools i.e. Buses, EALD training, Professional Learning
- Year of opening

The school opened in October 1924 and successfully celebrated 75 years of schooling in November, 1999. We published a comprehensive 145 page history book which details our history from the past students' point of view.
- Public transport access

There is no public transport to the school, however a taxi service operates from Renmark.
DECD bus housed at the school (26 seater) – Used for OSHC and local excursions, outside of DECD bus run requirements.

2. Students (and their welfare)

- General characteristics

38% of our school population is from a non-English speaking background and there is a high level of acceptance of other cultures and beliefs.

30% of our population is on school card.

Successful, long history of teaching Greek in the school.

21% of students travel by bus and no other local transport network is available.

School Based Preschool to Year 7, function as a whole unit – on the same site, often with combined activities.

- (Pastoral) Care programs
We have a strong staff network of support and have appointed a Student Wellbeing Leader from 2004, who assists students with social/emotional problems. We also have a Pastoral Support Worker employed 15hrs, support by the Department and local church. We have links with the local health services (Chaffey House, CAMHS, Families SA).
- Student management
School discipline is strongly supported by staff and parents. Class, unit, yard and out of school behaviour management guidelines are all documented and maintained.
- Student government
Student Leaders meets each fortnight following class meetings and is supported by staff members. Students raise funds for charities and have a key role in the decision making processes.
- Special programmes
LAP operates across the school to support students with learning difficulties as well as to extend more able students.
Special Education/Special Needs/Early Intervention programs operate across the school, and SSO time have been allocated each week.

3. Key School Policies

These are developed each year and reviewed as an ongoing process. Key initiatives revolve around Literacy & Numeracy, EALD, Health & Physical Education, Science (Specialist Skills teaching for all students), The Arts and Staff & Student Wellbeing.

4. Curriculum

- Subject offerings

English	Mathematics
Health and Physical Education	Technologies
The Arts	Science
Languages – Modern Greek	Health & PE
